

## Need You Now

J Rice

Picture perfect memories scattered all around the floor  
Reaching for the phone cos I can't fight it anymore  
And I wonder if I ever cross your mind  
To me it happens all the time

It's a quarter after the 1 I'm all alone and I need you now  
I said I wouldn't call but I lost all control and I need you now  
w  
And I don't know how I can be without, I just need you now

Another shot of whiskey can't stop looking at the door  
Wishing you come sweep in, in the way you did before  
When I wonder if I ever cross your mind  
For me it happens all the time

It's a quarter after the 1 I'm a little drunk and I need you now  
w  
I said I wouldn't call but I lost all control and I need you now  
w  
And I don't know how I could do without, I just need you now

Yes I'd rather hurt than feel nothing at all

It's a quarter after the 1 I'm all alone and I need you now  
I said I wouldn't call I'm a little drunk and I need you now  
And I don't know how I can do without, I just need you  
I just need you now
