

Take Me to Your Leader

Jace Everett

She's a boy
He's a girl
Takes all kinds
To make this world
I'm a fool
I'm a clown
A star struck sucker
From a podunk town

I just don't know the rules anymore
Has so much changed from what it was before?
Or this just another lunar phase to ignore
Going round and round and round?

Take me to your leader
Cause I just need to meet her
Take me to your leader
And I'll bow down
Love underground...

Where's the guy
With the thing
Makes it all really swing
Around
Let me up
Or put me down
I can't stand anymore
All this round and round

I'm not sure what what to say anymore
My windows closed, they took my front door
I'm slipping, sliding, who's blood is that
Spilled all over my floor?

Take me to your leader
God, I just wanna meet her
Take me to your leader
And I'll bow down
Love underground

Sitting spinning
Losing winning
Taking it all in
Take me round the bend again
I'll twist and shout and then...

Take me to your leader
I just gotta meet her
Take me to your leader
And I'll bow down

Take me to your leader
God, I just need to meet her
Take me to your leader
And I'll bow down
Love underground...
