

IN THIS WAY

Jack Bruce

Two loves on the way
Maybe one will stray
Looking to be free
Keep moving all day
Scared of things decaying
Wordlessly

Into winters you never see
Or will we always be

Two loves in the night
Got to shine so brightly
Hope we can be strong

Caressing the light
Scared to hold too tight
We might go wrong

There's a way
We can tell each other
Here to stay

There's a sign
We can give each other
No goodbyes
