

Livin' Without Ja

Jack Bruce

Livin' without ja ain't no way to live at all
You freaked me out baby
When you threw my boots into the hall
Ah baby what you tryin' to do
Come on baby what you tryin' to do to me

Livin' without ja ain't no way to live at all
You know sometimes baby
I really feel like gon' over the wall
Ah baby what you think of this
Come on baby won't you give me little kiss

I'm livin' without ja...

Burn in your kitchen ain't no way to save your meat
I keep havin' this dream where someone's
Tryin' to sit in my seat
Love is free and I'm gonna stay the same
Here's the key
I ain't gone insane

I'm livin' without ja...
