

Tightrope

Jack Bruce

Higher on the wire - see the man
Slowly he steps slowly - don't look down
Higher on the tightrope in the sky
Dare you walk the wild earth any more?
Naked as the day when you were born
Higher on the tightrope in the sky
Higher on the wire - see the man
Slowly he steps slowly - don't look down
Higher on the tightrope in the sky
Dare you walk the wild earth any more?
Naked as the day when you were born
Higher on the tightrope in the sky
