

Broken

Jack Johnson

INTRO: **D**

VERSE 1:

D

With everything ahead of us
We left everything behind
But nothing that we needed
At least not at this time

G

And now the feeling that I'm feeling

G

D

Well it's feeling like my life is finally mine

Em

G

D

With nothing to go back to we just continue to drive

CHORUS:

Em

Without you I was broken

G

D

But I'd rather be broke down with you by my side

Em

Without you I was broken

G

D

But I'd rather be broke down with you by my side

VERSE 2:

D

I didn't know what I was looking for
So I didn't know what I'd find
I didn't know what I was missing
I guess you've been just a little too kind

G

And if I find just what I need

D

I'll put a little peace in my mind

G

Maybe you've been looking too

D

Or maybe you don't even need to try

CHORUS:

Em

Without you I was broken

G

D

But I'd rather be broke down with you by my side

Em

Without you I was broken

G

D

But I'd rather be broke down with you by my side

SOLO:...

VERSE 3:

D

With everything in the past

Fading faster and faster until it was gone
Found out I was losing so much more than I knew all along

VERSE 4:

G

Because everything I've been working for

D

Was only worth nickels and dimes

G

But if I had a minute for every hour that I've wasted

D

I'd be rich in time, I'd be doing fine

CHORUS:...
