I want to be where the talk of the town

D7 G

Is about last night when the sun went down

C C/B Am

yea.. And the trees all dance

D7 G C C/B

And the warm wind blows in that same old sound

Am D7

And the water below gives a gift to the sky

G C C/B

And the clouds give back everytime they cry

Am D7

And make the grass grow green beneath my toes

G

And if the sun comes out

C C/B

I'll paint a picture all about

Am

The colors i've been dreaming of

D7

The hours just don't seem enough

Am

To put it all together

D7 G

Maybe it's as strange as it seems

C G C

Mmm..

Am D7

and the trouble I find is that the trouble finds me

G C

It's a part of my mind it begins with a dream

Am D7

And a feeling I get when I look and I see

G C

That this world is a puzzle, ill find all of the pieces

Am D7

And put it all together, and then ill rearrange it

Am

I'll follow it forever

D7 G C

Always be as strange as it seems...mmm

Cm

Nobody ever told me not to try
