**D** **F#m**  
Theres traffic in the sky  
**C** **Em**  
And it doesn't seem to be getting much better  
**D**  
Theres kids playing games on the pavement  
**F#m** **C**  
Drawing waves on the pavement mm-hm  
**Em** **D**  
Shadows of the planes on the pavement mm-hm  
**F#m**  
It's enough to make me cry  
**C** **Em**  
But that don't seem like it would make it feel better  
**D**  
Maybe it's a dream and if i scream  
**F#m**  
It will burst at the seams  
**C** **Em**  
This whole place will fall into pieces  
**A As**  
And then they'd say

**G** **A**  
Well how could we have known  
**D** **Bm**  
I'll tell them it's not so hard to tell  
**G**  
Nah nah nah  
**A**  
You keep adding stones  
**D**  
Soon the water will  
**Bm**  
Be lost in the well  
Mmmmm mmmmm

**D** **F#m**  
Puzzle pieces in the ground  
**C** **Em**  
But no one ever seems to be digging  
**D** **F#m**  
Instead they're looking up towards the heavens with their eyes on the  
heavens  
**C** **Em**  
Shadows on the way to the heavens

**D** **F#m**  
 It's enough to make me cry  
**C** **Em**  
 But that don't seem like it would make it feel better  
**D** **F#m**  
 The answers could be found we could learn from digging down  
**C** **Em**  
 But no one ever seems to be digging  
**A As**  
 Instead theyll say

**G** **A**  
 Well how could we have known  
**D** **Bm**  
 I'll tell them it's not so hard to tell  
**G**  
 Nah nah nah  
**A**  
 You keep adding stones  
**D**  
 Soon the water will  
**Bm**  
 Be lost in the well  
 Mmmmm mmmmm

**D** **F#m**  
 Words of wisdom all around  
**C** **Em**  
 But no one ever seems to listen  
**D**  
 Theyre talking about their plans on the paper  
**F#m**  
 Building up from the pavement  
**C** **Em**  
 Shadows from the scrapers on the pavement  
**D** **F#m**  
 Its enough to make me sigh  
**C** **Em**  
 But that dont seem like it would make it feel better  
**D** **F#m**  
 The words are all around but the words are only sounds  
**C** **Em**  
 And no one ever seems to listen  
**A As**  
 Instead theyll say

**G** **A**  
 Well how could we have known  
**D** **Bm**  
 I'll tell them it's not so hard to tell  
**G**  
 Nah nah nah  
**A**  
 You keep adding stones  
**D**  
 Soon the water will  
**Bm**  
 Be lost in the well

**G A D**
