

American Love

Jack's Mannequin

You see, I got this American Love
A brand new planet in the solar system
I kiss her neck, but I just can't look her in the eye
You leave for college at the turn of autumn
I spent the winter diving to the bottom
I'll kiss your neck, but I just can't look you in the eye
Yeah

Big hearts, big hearts
Big hearts are for breaking
(Big hearts are for breaking)
Big hearts, big hearts
Big hearts are for breaking, yeah

You see, I got this critical conscience
A brand new black hole in the solar system
I dig my grave, but I just can't stand to step inside

And when they find out, they'll sound every siren
Break the door down to find a baby crying
You thought I knew, it's just not right to tell a lie

Big hearts, big hearts
Big hearts are for breaking
(Big hearts are for breaking)
Whoa oh oh oh
Big hearts, big hearts
Big hearts are for breaking yeah, yeah

And now there's no turning back
In the face of the sweat we share
There's nowhere to run, we're so unprepared
It's a new heart attack
Brand new bricks on my back to bear
Don't say a word or they might find us there

You see, I got this American love
A hidden planet in the solar system
But keep your eyes shut, I just can't stand to say goodbye

Big hearts, big hearts
Big hearts are for breaking
(Big hearts are for breaking)
Whoa oh oh oh oh
Big hearts, big hearts
Big hearts are for breaking yeah, yeah
Big hearts, big hearts
Big hearts are for breaking
(Big hearts are for breaking)
Whoa oh oh oh oh
Big hearts, big hearts
Big hearts are for breaking yeah, yeah, yeah
Big hearts are for breaking
Whoa oh oh oh oh oh
Big hearts are for breaking
