All day I face a barren waste Without the taste of water Cool water

Oh Lad and I with throats burned dry And souls that cry for water Cool, clear water

A-keep a-movin' Dan Don't you listen to him Dan He's a devil, not a man And he spreads the burning sand with water

Dan can you see that big green tree
Where the water's running free
And it's waiting there for me and you
Cool, clear water
Shadows swing and seem to say
Tonight we pray for water
Cool water

And when you hear our prayer And show us where there's water Cool, clear water

A-keep a-movin' Dan Don't you listen to him Dan He's a devil, not a man And he spreads the burning sand with water

Dan can you see that big green tree Where the water's running free And it's waiting there for me and you Cool, clear water

Cool, clear water Cool, clear water
