

# Goodbye Baby

Jack Scott

(ooh-ooh, bye bye)  
(ooh-ooh, bye bye)

Goodbye, baby, bye bye  
Goodbye, baby, bye bye  
Goodbye, baby, bye bye  
I'm gonna leave you now

Goodbye, baby, bye bye  
Goodbye, baby, bye bye  
Goodbye, baby, bye bye  
Johnny's going away

You were wrong, pretty baby, bye bye  
Oh, so wrong, pretty baby, bye bye  
Yes, so wrong, pretty baby, bye bye  
Please don't you cry

Oh, oh, oh, oh  
Goodbye, baby, baby, bye bye  
Goodbye, baby, baby, bye bye  
Goodbye, baby, baby, bye bye  
I'm gonna leave you now

backups sing a series of 8 "baby, bye, bye's" and a bunch of o  
h, oh,  
oh's"

Oh, goodbye, baby, bye bye  
Goodbye, baby, bye bye  
Goodbye, baby, bye bye  
Johnny's going away

Take my hand, pretty baby, bye bye  
One more time, pretty baby, bye bye  
Take my hand, pretty baby, bye bye  
Hope you'll understand

Oh, oh, oh, oh  
Goodbye, ba-ba-ba-ba-ba-by  
Goodbye, ba-ba-ba-ba-ba-by  
(Goo-ood, bye bye)  
(Goo-ood, bye bye)!!
