

It Only Happened Yesterday

Jack Scott

It only happened yesterday
And already I miss you, my dear
If I had known I'd be alone
Do you think that I would have let you go

It only happened yesterday
And already I'm losing my mind
I was smart, I broke your heart
Mmm-mmm, foolish boy
Love like this love I had for you
Will never, my dear, ever die
Alone am I, alone I'll be,
Yet these lonely nights have got the best of me

It only happened yesterday
Forgive me if I cry
I'm on my knees, I'm begging please
Forgive me for yesterday

I'm begging please
Forgive me for yesterday
