

## Fine Lines

Jackie Lomax

It's only a point of view  
That separates me from you.  
Only a space in time  
Don't let it play on your mind.  
It won't play on mine.

It's only a passing cloud,  
That picks you out from the crowd.  
It's only a passing phase  
There will be better days.  
Don't get yourself in a craze.

It's such a fine line  
Between yours and my line.  
It's just a fine line  
Between the Soul and the Mind.

It's only another game  
That goes by some other name.  
It's only a frame of mind  
Don't let it take up your time.  
It won't take up mine.
