

# Am I The Man

Jackie Wilson

Wooooo-hooooo

Hey, a-hey, hey, hey

You ought a be a here a hundred times, now

You ought a be a here to a treatin' my right

You ought a be here to hold my hand

And try to make-a me understand

And baby tell me once again, a-huh-huh

Am I the man (yes you're the man)

You ought a be a-here a-lettin' me know

You ought a be a-here to tell me so

You ought a be here, ooo it's true

That I'm the only one for you

And baby tell me once again, oh-a-huh

Am I the man (yes you're the man)

Yeah, girls in the this big city

All of these girls, it's a pity

That my girl she's a thousand miles away

Yeah, yeah, baby you'd better hurry

'Cause I'm beginning to worry

'Cause some of these beautiful girls

Are drivin me wild but oh

I gonna wait until you're in my arms

I'm gonna wait until I have your charms

I'm gonna wait until you come to me

And we'll make a love a like a ooo-wee

And baby tell me once again, a-huh-huh

Am I the man (yes, you're the man)

Yeah, girls that live in the big city

All of these girls it's a pity

Oh, that my girl, she's a thousand miles away

Yeah, yeah, baby you'd better hurry

Because I'm beginning to worry

'Cause some of these beautiful girls are drivin' me wild

A wild, wild, wild, wild

I can't await until you're in my arm

I'm gonna wait until I have your charm

I'm gonna wait until you come to me

A lovey dovey, like it ought to be

And baby tell me once again, a-huh-huh

Am I the man (yes, you're the man)

... Yeah, come on tell me, baby

I really need somebody Ellis, now I need somebody else...
