

# I Don't Want To Lose You

Jackie Wilson

At last it finally happened  
You came into my world  
After trying for a long, long time  
You decided to be my girl

And...

I don't wanna lose you now  
I don't wanna lose you right now  
I don't wanna lose you now

There couldn't be a happier fella  
Than I am right now  
And whatever it takes to hold you, baby  
I'll do or get it somehow

'Cause...

I don't wanna lose you now  
I don't wanna lose you right now  
I don't wanna lose you now

So many times in the past  
My romances they just didn't last  
It was one heartbreak after each other  
And one tear after another

I count myself lucky  
For falling love with you  
'Cause you don't know, baby  
What the man's been going through

That's why...

I don't wanna lose you now  
I don't wanna lose you right now  
I don't wanna lose you now

Gotta say it again

I don't wanna lose you now  
I don't wanna lose you right now  
I don't wanna lose you now
