

# I'm Comin' On Back To You

Jackie Wilson

I was a fool to step aside  
And let you run to someone new  
But I won't be a fool anymore  
I'm coming back to you

Can't bear to think you're kissing her  
It tortures me the whole night through  
But I won't take that torture anymore  
I'm coming back to you  
I'm coming back to you

She's got no right to hold you tight  
Her days are over, beginning tonight

Your lips belong to me alone  
No one could love you like I do  
And I can't live without you anymore  
I'm coming back to you  
I'm coming back to you

Your lips belong to me alone  
No one could love you like I do  
And I can't live without you anymore  
I'm coming back to you  
I'm coming back to you

I'm coming back to you  
I'm coming back
