

I've Lost You

Jackie Wilson

(Come back baby, oh come back)
(Come back baby, oh come back)

I see that far away look in your eyes
I know you're thinking of someone else
And when I talk to you I realize
I might as well be talking to myself

Cuz you don't hear a single word I say
Your thoughts are half a million miles away

And I've lost you, yeah... baby
I've lost you, Lord, it's true

(Come back baby, oh come back)
I'm begging in a hurry
(Come back baby, oh come back)
Never did or need to worry

I can feel my distant attitude
And babe I think it's getting farther, baby
I tried to kiss you but you're in a loop
Like you don't care to be bothered, baby

And when you hold me in your loving arms
Your bodies with me but your soul is gone

And I've lost you, yeah... baby
I've lost you, Lord, it's true

(Come back baby, oh come back)
I'm begging in a hurry
(Come back baby, oh come back)
Never did or need to worry

Do do do do do do do do
La la la la la la la la
Do do do do do do do do
La la la la la la la la

I've got to find a way back in your heart
But where do I begin, and where do I start

And I've lost you, yeah... baby
I've lost you, Lord, it's true

(Come back baby, oh come back)
I'm begging in a hurry
(Come back baby, oh come back)
Never did or need to worry
(Come back baby, oh come back)
Down on my bending knees babe
(Come back baby, oh come back)
Begging you to come back here
(Come back baby, oh come back)
All right listen

Now when I find you baby, I'm gonna jump and shout
I want you to know, what it's all about
I'm gonna kiss you in the morning for the sun don't shine
Take you in my arms and make you mine all mine
Alright...
