## It Came Upon A Midnight Clear

## Jackie Wilson

It came upon a midnight clear that glorious song of old From angels bending near the earth to touch their harps of gold Peace on the earth goodwill to men from heav'n all gracious King The world in solemn stillness lay to hear the angels sing

For lo the days are hast'ning on by prophets seen of old When with the ever circling years shall come the time foretold When the new heav'n and earth shall on the Prince of peace their king And the whole world send back the song which now the angels sing

Still through the cloven skies they come with peaceful wings unfurled And still their heavenly music floats o'er all the weary world Above its sad and lowly plains they bend on hovering wing And ever o'er its Babel sounds the blessed angels sing

Yet with the woes of sin and strife the world has suffered long Beneath the heavenly strain have rolled two thousand years of wrong And man at war with man hears not the tidings which they bring O hush the noise ye men of strife and hear the angels sing

O ye, beneath life's crushing load whose forms are bending low Who toil along the climbing way with painful steps and slow Look now for glad and golden hours come swiftly on the wing O rest beside the weary road and hear the angels sing

For lo the days are hastening on by prophets seen of old When with the ever circling years shall come the time foretold When peace shall over all the earth its ancient splendors fling And the whole world give back the song which now the angels sin g
