

She's All Right

Jackie Wilson

She's All Right (Yeah, Yeah, Yeah, Yeah, Yeah)
She's All Right (Ooh, Ooh, Ooh, Ooh)
She's All Right with me (I've got somethin' I wanna talk about)

She may not be, no movie Queen
But I want to keep the little girl, right here on my scene
Let me tell ya,
She's All Right (Yeah, Yeah, Yeah, Yeah, Yeah)
She's All Right (Ooh, Ooh, Ooh, Ooh)
She's All Right with me
(And one other, one other thing I wanna say, yeah)

She may not wear, all kind of fancy clothes
But what I dig about the little girl
Is the way she wrinkles up her cute little nose, Let me tell ya
...

She's All Right (Yeah, Yeah, Yeah, Yeah, Yeah)
She's All Right (Ooh, Ooh, Ooh, Ooh)
She's All Right with me
(I think I'm gonna talk about her a little more)...

(Spoken testimonial lyrics)...

I remember, yes I remember one morning
The girl came a runnin', runnin' to my bedside
I was so sick, and I couldn't get well
Believe me when I tell ya I was hungry and helpless
Don't cha know she came a runnin', She got down,
She got down on her knees,
And she said "jackie, I'm gonna wipe your brow"
She said, "Jackie darlin', you gotta feel, you gotta feel,
And I'm gonna make you all right!"

She's All Right (Yeah, Yeah, Yeah, Yeah, Yeah)
She's All Right (Ooh, Ooh, Ooh, Ooh)
She's All Right with me (Let's talk about her one more time,
I want the world to know)...\nShe's All Right, Yeah, talkin' bout my little baby
Ooh, Ooh, Ooh, Ooh, ooh, (Fade Out)
