

Try a Little Tenderness

Jackie Wilson

She may be weary
Women do get weary
Wearing the same shabby dress
But when she's weary
Try a little tenderness

You know she's waiting
Just anticipating
Things that she may never possess
But while she's without them
Try a little tenderness

It's not just, just sentimental
For she has her grief and her care
And a word that's soft and gentle
Makes it easier easier, easier to bear

Now you know, you won't regret it
Women don't forget it
Love is their whole happiness
It's all so easy
Try a little tenderness

But a word that's soft and gentle
Makes it easier, easier to bear
Oh you won't regret it
Women don't forget it
Love is their whole happiness
And you know it's all so easy
Try a little tenderness
Try a little tenderness
