

## Think You Should Know

jacksoul

I think you should know  
I know we been friends  
But I got this feeling I just can't stop  
I think you should know  
As hard as I try  
I can't keep my hands to myself.  
Here with you, morning dew shining on your lips  
Baby (ooo!) how we do, you I can't resist  
Would you give me a chance?  
Give me a chance.  
You'd be buggin out to look this gift horse in the mouth  
I'd be crazy to run from you  
I think you should know.  
I think you should know that I been losing sleep.  
Everywhere I turn I see you with me.  
What's it gonna be.  
I confess I'm obsessed with your loveliness.  
And I feel blessed when I'm next to ya  
Tell me this: Will you give me a chance?  
Give me a chance.  
Listen when I'm talkin to ya  
[Chorus]
