

Get U Alone

Jacob Latimore

Yeah, so much going on over here
And I wanna get you alone
And I wanna get you alone (Yeah)

Can I get you alone? (Yeah)
Can I get you alone? (Yeah)
'Cause I would never know in a room full of people
So can I take you home? (Yeah)
Can I get you alone?

You can loosen up
You can show me the truth
Baby, I wanna see the real you
I know you playin' it safe
You don't know who I am
But you know a nigga on the same thing, yeah
Girl (Girl), don't you act that way (That way)
Don't you make me wait too long for it (For it)
Right now, we can just go (Go)
You'll see what I want (Want)
Baby, just you, only you

Can I get you alone? (Yeah)
Can I get you alone? (Yeah)
'Cause I would never know in a room full of people (People)

And I'ma get you home
(Can I get you alone, baby? Can I get you alone, baby?)
You can turn off the phone
(Can I get you alone, baby? Can I get you? Can I get you?)
All night long, oh
Can I get you alone?

Been a while since you got some, I can tell it's been a minute (It's been a minute)
I can tell my lady get kids if you with it (If you with it)
It's 'bout time you make a decision (Yeah)
Girl (Girl), don't you act that way (That way)
Don't you make me wait too long for it (For it)
Right now, we can just go (Go)
You'll see what I want (Want)
Baby, just you, only you

Can I get you alone? (Yeah)
Can I get you alone? (Yeah)
'Cause I would never know in a room full of people (People)
So can I take you home? (Yeah)
Can I get you alone?
