

# I Love You

Jacob Latimore

I just wanna say I LOVE YOU  
I LOVE YOU  
I just wanna say I LOVE YOU  
I LOVE YOU  
You've been my best friend  
You stayed til the end  
Baby don't cry  
You know it's alright  
I'll never leave you  
Baby it's true  
All that I do  
I do it for you  
I just wanna say I LOVE YOU  
I LOVE YOU  
I just wanna say I LOVE YOU  
I LOVE YOU
