

# Is That What You Wanna Hear

Jacob Latimore

Something, ain't it always something  
And I bet you girl wouldn't treat me like this  
I can't win for nothing  
Why you always fussin'?  
Something out of nothing  
Got me feeling like this  
It ain't the same to me  
Is that what you wanna hear?  
It's changing me  
Is that what you wanna hear?  
She call me all the time  
Is that what you wanna hear?  
We argue like all the time

If I do you how you do me then you hate  
Then you do it out of spite to debate  
Back on my player shit  
Yeah, I'm on my player shit  
I don't have nothing to prove  
I just be making my move

Tell the truth don't lie to my face  
I had to usher out your feelings my way (My way)  
Well at least you live and learn  
What you do ain't my concern  
Used to be my superstar  
Now you gotta let it burn

Ashes, spread around  
Ashes, spread around  
Ashes, spread around  
It's dead, it's dead  
Ashes, spread around  
Ashes, spread around  
Ashes, spread around  
Tell the whole world I ain't coming back

Something, ain't it always something  
And I bet you girl wouldn't treat me like this  
I can't win for nothing  
Why you always fussin'?  
Something out of nothing  
Got me feeling like this  
It ain't the same to me  
Is that what you wanna hear?  
It's changing me  
Is that what you wanna hear?  
She call me all the time  
Is that what you wanna hear?  
We argue like all the time

Got to the point where I had to let it go  
The one that point the finger is the one that's doing wrong  
Accusing me I think it's tragic  
And you like to think you a savage  
And what am I do with someone with no understanding, yeah  
I don't want to be the boyfriend type, boyfriend

Well at least you live and learn  
What you do ain't my concern  
Used to be my superstar  
Now you gotta let it burn

Ashes, spread around  
Ashes, spread around  
Ashes, spread around  
It's dead, it's dead  
Ashes, spread around  
Ashes, spread around  
Ashes, spread around  
Tell the whole world I ain't coming back girl

Something, ain't it always something  
And I bet you girl wouldn't treat me like this  
I can't win for nothing  
Why you always fussin'?  
Something out of nothing  
Got me feeling like this  
It ain't the same to me  
Is that what you wanna hear?  
It's changing me  
Is that what you wanna hear?  
She call me all the time  
Is that what you wanna hear?  
We argue like all the time
