Really I don't trust bitches and I mean that  
Now the homies fuck with her, could have seen that  
How'd I get caught up with her  
Thought she was so different, I really loved her

I was the last thing on her mind (Mind)  
These hoe's tellin' lies (Lies) all lies  
You say it's so, but you ain't mine  
I thought she was mine  
(Yeah, yeah, yeah, whoa, whoa)
