

# Grind Hard

Jadakiss

Oooh! Ooh! Ooh! Ooh!  
Oooh! Ooh! Ooh! Ooh!  
Oooh! Ooh! Ooh! Ooh!

Now we shinin' hard just like we wanna do  
Grindin' day and night, so we can kick off our shoes  
And there's the glamorous life  
Look what we made it to!  
We some real live bosses, got 'em lookin' at you  
We grind hard (oooh-ooh!)  
To play harder (oooh-ooh!)  
We touch the start (oooh-ooh!)  
That's what they call us (oooh-ooh!)  
We grind hard (oooh-ooh!)  
To fight 'em all off (oooh-ooh!)  
We grind hard (oooh-ooh!)  
To play harder (oooh-ooh!)

Ha-ha! Yo!  
Twenty-four seven, three-six-five  
If we ain't breaking 'em down, then we lettin' 'em fly!  
Nah - never I, always we  
I came in the game dividin' the pies by three  
Then we got famished, so we set standards  
Very similar to the (Ten Crack Commandments)  
Some couldn't take it, others got lost and couldn't make it  
We wanted to floss, but couldn't fake it!  
The Hood embraced it, the rest is basic  
No need to rush, be extra patient!  
The new four-door Porsche is extra spacious  
Same entourage, no extra faces!  
Hands down, the best - no explanations!  
And to the top is the next destination!  
And ain't no time-outs!  
Death is the only time we gonna sign-out!  
So we gonna grind out!  
What?!

Now we shinin' hard just like we wanna do  
Grindin' day and night, so we can kick off our shoes  
And there's the glamorous life  
Look what we made it to  
We some real live bosses, got 'em lookin' at you  
We grind hard (oooh-ooh!)  
To play harder (oooh-ooh!)  
We touch the start (oooh-ooh!)  
That's what they call us (oooh-ooh!)  
We grind hard (oooh-ooh!)  
To fight 'em all off (oooh-ooh!)  
We grind hard (oooh-ooh!)  
To play harder (oooh-ooh!)

Ha-ha! Ugh! Yeah! Yo!  
Top 5, Dead Or Alive's what they consider him!  
Soon as them things come in, we get rid of 'em  
(Mo Money, Mo Problems) - gotta live with 'em!  
Only thing they care about is what you givin' 'em!

Not the energy that you wasted in the game  
Or the tears that trickled down your face from the pain  
The time your jaw cracked, you wasted the 'caine  
Had to do two shifts to make it the same!  
That all changed, as soon as you tasted the fame  
And it was all worth it, after you made you a name  
Thanks to Our Heavily Father  
We fly on the jet now, 'stead of the charter  
Leave a nice tip in the front for the gardener  
Do a lot of listenin', so we stay smarter  
Everybody's a hero, when they get scarred-up  
It's my ball - check it up, y'all better guard-up!  
Let's go!

Now we shinin' hard just like we wanna do  
Grindin' day and night, so we can kick off our shoes  
And there's the glamorous life  
Look what we made it to!  
We some real live bosses, got 'em lookin' at you  
We grind hard (oooh-ooh!)  
To play harder (oooh-ooh!)  
We touch the start (oooh-ooh!)  
That's what they call us (oooh-ooh!)  
We grind hard (oooh-ooh!)  
To fight 'em all off (oooh-ooh!)  
We grind hard (oooh-ooh!)  
To play harder (oooh-ooh!)  
Harder!

When we step up out that car  
The whole damn world's lookin' at us  
'Cause they knew what's from before  
Now we ain't hurtin' no more  
"You can bring me the girl, I'll sign my name!"  
Now we're flyin' private planes and such  
Lookin' like a million bucks  
(You Can't Tell Me Nothing!)

Now we shinin' hard just like we wanna do  
Grindin' day and night, so we can kick off our shoes  
And there's the glamorous life  
Look what we made it to  
We some real live bosses, got 'em lookin' at you  
We grind hard (oooh-ooh!)  
To play harder (oooh-ooh!)  
We touch the start (oooh-ooh!)  
That's what they call us (oooh-ooh!)  
We grind hard (oooh-ooh!)  
To fight 'em all off (oooh-ooh!)  
We grind hard (oooh-ooh!)  
To play harder! Harder!
