

## Got It

Jaden Smith

Yeah, I drip a race  
(Tay Keith, this too hard)  
Big drip shit only  
ERYS, I know I talk the most fly  
Yeah

She want that brand new designer, that Louis bandana  
I told her I got it (Yeah)  
She wanna wrist with the water and Virgil the wallet  
I told her I got it (Yeah)  
She said her ex has been wildin' and giving her problems  
I told her I got it (Yeah)  
I pass it out the partners and it's been a while, I ain't hando  
ut, I bought it (Oh)

I need a suck with the silence  
Don't even look at my goddess (Oh)  
Shoot it straight out the bottom  
Don42, full throttle (Oh)  
Model but she not a model (Model)  
I do this shit and they follow (Follow)  
Man, I saw my lane wide open (Wide)  
Boys better keep your eyes open (Eyes)  
Wrist go tech with a platform case  
When you're not doing this, six shots won't miss (Won't miss)  
They don't flex, they don't know what that is  
Man, take one guess, it looks like this  
It feels like Tetris, parking the whip  
Man, life's so dark when the windows tint  
Who's that chick (Hey) with the sit on my lips  
Yo, watch your mouth, that's my-

She want that brand new designer, that Louis bandana  
I told her I got it (Yeah)  
She wanna wrist with the water and Virgil the wallet  
I told her I got it (Yeah)  
She said her ex has been wildin' and giving her problems  
I told her I got it (Yeah)  
I pass it out the partners and it's been a while, I ain't hando  
ut, I bought it (Oh)
