Kid's lit, man, I got the type of vision get you high
Man, I'm always killin' it, a villain in disguise
Now my baby say she feel it when we peel off in the ride
It ain't 2017, I'm done with all the crying
Man your boy just signed a deal, made a mil' off the designs
Sitting on a yacht, I pray to God, we caught a vibe
Man, I told my mom I'd try to reach the top while I'm alive
