

# He Can't Love You

Jagged Edge

I ain't no hata or nothing  
But he can't love you like I can  
Trust me

Ooh, ooh, ooh

As the clock strikes twelve  
I'm sitting here wondering how the hell  
Did I let you leave  
And baby I know that I did my share  
Of things to deceive you  
I'm just trying to get an understanding  
Of what to do  
Cause I'm half way going crazy  
Girl they can't fade me

He can't love you like I love you  
Baby you know it too  
And you should never wanna be with a  
man  
If he can't be a man  
And do the things to you like I can

He can't love you like I love you  
Baby you know it too  
And you should never wanna be with a  
man  
If he can't be a man  
And do the things to you like I can

I stop, and I wait, and I think  
That I never met someone to make me  
feel  
Like I'm ready to love  
So I gotta do what I gotta do  
Just to keep you  
Keep you here with me baby  
Now I feel it's time for me to say  
That I need you boo  
And I can't go a day without your loving  
Baby I can't live without you

I know you know  
No matter if you want it baby  
Ain't no ifs, or buts, or maybes  
And I know that one day  
You'll see that he can't really love you  
Like I love you

He can't love you like I love you  
Baby you know it too  
And you should never wanna be with a  
man  
If he can't be a man  
And do the things to you like I can

He can't love you like I love you

Baby you know it too  
And you should never wanna be with a  
man  
If he can't be a man  
And do the things to you like I can

He can't, he can't love you girl  
He's never gonna love you girl  
Like I love you girl

He can't, he can't love you girl  
He's never gonna love you girl  
Like I love you girl

He can't, he can't love you girl  
He's never gonna love you girl  
Like I love you girl

He can't, he can't love you girl

He can't love you like I love you  
Baby you know it too  
And you should never wanna be with a  
man  
If he can't be a man  
And do the things to you like I can
