

# Love On You

Jagged Edge

Girl if you want love and you need it now, girl  
I'm the one you call name on the speed dial, girl  
Want love don't look no further you're always right for me, you  
never hit the curb girl.

See when you come when you want that real shit  
same place you come when you want one real quick  
oh uh uh oh uh uh oh  
You know, that's how it go, that's how it go.

You're my love angel.  
Swoopin down on me.  
Took you in my life, just to whip that thing on me  
Then so, shorty I know, And you know no no no

Need someone to love on  
I'm the one you call on,  
When you need someone to love on, girl.  
When you need someone to hold on,  
I'm the one you hold on,  
When you need someone to love on, girl.  
Need someone to love on,  
I'm the one you love on,  
When you need someone to love on, girl.  
When you need someone to rub on, touch you and love on,  
I'm the one you love on, girl.

I'm the one you love on,  
I'm the one you love on  
I'm the one you love on girl.

My car cream, my wheels mean, just cause I know you love it whe  
n I'm ridin clean.  
Got big dreams, she fit right in.  
She single lady, waste no time just getting in, and I love her  
soul  
I'll be right there when she need just to hug or some love  
And your family knows, you're in good hands with a man, cause w  
e make a stand here

Never have to wonder where the love went.  
When you need it girl I'm like an automatic button.  
Then one summer, have fun in the sun and  
Going at it for two weeks, that's really something  
yeah yeah yeah yeah  
I know it might sound cheesy, girl you complete me  
yeah yeah yeah  
Girl you're making me love
