

# Sweetest Thing

Jai Waetford

(Three, two, one)  
Been waiting so long, so long, so long, to get you alone  
I'm writing this song, this song, this song.  
So you'd come along (baby won't ya come along)  
And now that you're here, I hope you hear  
What I'm tryin' to say, yeah  
'Cause I'm letting go, of everything  
Just so you can stay, yeah, yeah

And all I really need is you with me, oh, oh  
And I really can't do this,  
All by myself

I'm giving my everything  
'Cause there ain't no point without ya'  
You are the sweetest thing  
And there's just something about ya', oh  
You are the sweetest thing,  
Girl you're the sweetest thing, oh, oh

Now that you know just where I stand  
Won't you take my hand (take my hand)  
'Cause I'm making sure your part of my, every plan

All I really need is you with me, oh, oh  
And I really can't do this  
All by myself

I'm giving my everything  
Cause there ain't no point without ya'  
You are the sweetest thing  
Yeah there's just something about ya', oh  
You are the sweetest thing,  
Girl you're the sweetest thing, oh, oh

Say you'll be mine  
Forever in time  
Girl be mine.

I'm giving my everything  
Cause there ain't no point without ya'  
You are the sweetest thing  
And there's just something about ya', oh  
You are the sweetest thing,  
Girl you're the sweetest thing, oh, oh

I'm giving my everything  
Cause there ain't no point without ya'  
You are the sweetest thing  
Yeah there's just something about ya', oh  
You are the sweetest thing,  
Girl you're the sweetest thing, oh yeh
