

# The Only Exception

Jai Waetford

When I was younger I saw  
My daddy cry and curse at the wind  
He broke his own heart and I watched  
As he tried to reassemble it  
And my momma swore that she would  
Never let herself forget  
And that was the day that I promised  
I'd never sing of love if it does not exist

But, darling, you are the only exception  
Well, you are the only exception  
Well, you are the only exception  
Well, you are the only exception

Maybe I know somewhere  
Deep in my soul that love never lasts  
And we've got to find other ways  
To make it alone or keep a straight face  
And I've always lived like this  
Keeping a comfortable distance  
And up until now I had sworn to myself that I'm content with loneliness

But, darling, you are the only exception  
Well, you are the only exception  
Well, you are the only exception  
Well, you are the only exception  
Well, you are the only exception

I've got a tight grip on reality, but I can't  
Let go of what's in front of me here  
I know you're leaving in the morning when you wake up  
Leave me with some kind of proof it's not a dream, whoa

You are the only exception  
You are the only exception  
And I'm on my way to believing
