

Broken Hearts and Fairy Tales

Jake Coco

Life is so frustrating, and it's getting over rated.
A broken heart, a fairytale it's all the same to me.
But I don't wanna be just waiting patiently
For life to come and take me away.

So I'm sitting here in silence,
and I'm pretty sure that violence
Is the only form of love I'll ever know.
But I guess that goes to show that even those filled up with hope
have less than you can tell meets the eye.

And you lead me on and on and on again, you do.
You lead me on and on and on again;
I hope to God this hurts you too.

I wish I never loved you;
I wish I didn't care.

Life is so degrading, and I'm pretty sure I hate it.
I gotta get myself out of this town.
Before I'm broken down, lying shattered on the ground,
For all the world to see who I am.

And you lead me on and on and on again, you do.
You lead me on and on and on again;
I hope to God this hurts you too.

I wish I never loved you;
I wish I didn't care.
