

Daddy's Eyes

Jake Coco

They say shes got her daddy's eyes
She hides em well behind her mommas smile
They say she knows shes beautiful
They say shes got her daddy's heart
And she can't hide it when there's nowhere else to start
They say she knows shes beautiful
But that won't get her anywhere today
And she says daddy I know your listening
Daddy I know your there
Cuz Ive been talking with angels
And they tell me that you still care
They say shes got her daddy's pride
She walks around all day with her head held up so high
They say she knows shes beautiful
But that won't get her anywhere today
But now shes growing up shes moving on she needs someone to tel
l her why

The grass is green, the sky is blue, it's all ok I'm here for y
ou
Shes growing up she moving out she needs someone so she screams
and shouts she says
Daddy can, daddy can, you hear me?
And I say baby I know you're listening, baby I know you're ther

Cuz Ive been talking with angels up here, and I tell them to te
ll you that I still care
They say shes got her daddy's charm
Yeah she could make the lights on Broadway shine and she could
truly be a star
They say she knows shes beautiful
But that won't get her anywhere, today
