

Not Over You

Jake Coco

Dreams, that's where I have to go
To see your beautiful - face anymore
I stare at a picture of you, and listen to the radio
Hope, hope there's a conversation
Where we both admit we had it good
But until then it's alienation, I know
That much is understood - and I realize

[Chorus]

If you ask me how I'm doing
I would say I'm doing just fine
I would lie and say that you're not on my mind
But I go out and I sit down at a table set for two
And finally I'm forced to face the truth,
No matter what I say I'm - not over you (not over you)

Damn, damn girl you do it well
And I thought you were innocent
Took this heart and put it through hell
But still you're magnificent
I'm a boomerang, doesn't matter how you throw me
I turn around and I'm back in the game
Even better than the old me
But I'm not even close without you

[Chorus]

And if I had the chance to renew
You know there isn't a thing I wouldn't do
I could get back on the right track
But only if you'd be convinced
So until then...

[Chorus]
