

The Best Love Song I Ever Wrote

Jake Coco

yeahh

I Started this song 2a.m. on a lonely sunday night
I wanna to make things easier
I wanna to make things right
a hundred for midnight snack you know
and I hungry for you
but kitchen is close girl yea I know so what this bored do

[Chorus]

You are everything, everything I hope for
You are everything, everything I need
When tomorrow comes and you be there
Should I even try?
Do you even care?
Do you know how far I go?
Just to keep those pain from you, ooh girl
I will do anything for you
yeah

And watching you sleeping from nine ou two
and I know I'm on your mind
I see in yours eyes you know its runnig out of time
I talk to you for hours with hour saying any word
here is the best love song that ever wrote
its the best you ever hurd

[Chorus]

When tomorrow comes and you be there
Should I even try?
Do you even care?
Do you know how far I go?
Just to keep this pain from you, ohh girl
I will do anything for you
do anything for you yeah
Here is the best love song I ever wrote
do anything for you yeah
Here is the best love song that I ever wrote
do anything for you yeah
Here is the best love song that I ever wrote
do anything for you
