

What the Hell

Jake Coco

You say that I'm messing with your head
All 'cause I was making out with your friend
Love hurts whether it's right or wrong
I can't stop 'cause I'm having too much fun

You're on your knees
Begging: „Please,
stay with me!“
But honestly
I just need to be a little crazy

All my life I've been good but now
I'm thinking what the hell
All I want is to mess around and I don't really care about
If you love me, if you hate me
You can't save me, baby, baby
All my life I've been good but now
What the hell

What, what, what, what the hell?

So what if I go out on a million dates
You never call or listen to me anyway
I rather rage than sit around and wait all day
Don't get me wrong
I just need some time to play

You're on your knees
Begging: „Please
Stay with me!“
But honestly
I just need to be a little crazy

All my life I've been good but now
I'm thinking what the hell
All I want is to mess around and I don't really care about
If you love me, if you hate me
You can save me, baby, baby
All my life I've been good but now, what the hell

You say that I'm messing with your head
Boy, I like messing in your bed
Yeah, I am messing with your head
When I'm messing with you in bed

All my life I've been good but now, I'm thinking what the hell
All I want is to mess around and I don't really care about
All my life I've been good but now, I'm thinking what the hell
All I want is to mess around and I don't really care about
If you love me, if you hate me
You can save me, baby, baby
All my life I've been good but now, what the hell
