

Love Again

Jake Miller

Yeah

Waking up in a bright white room
I've never seen it look so simple, oh yeah
I wanna waste away my whole day with you
Buried underneath these pillows

Sunday morning let's just stay
In bed and talk all day
Paradise in my apartment
Rain is falling down
Can't get this smile off my face
Think I need to tell you something

Look what you've done
I think I'm in love
In love again
Look what you've done
I think I'm in love
In love again

(In love again)
Yeah

Dancing round the room like we're kids
And spilling champagne on the sofa, oh yeah
I got your body pinned against my fridge
It's like the whole world stops when I hold ya

Sunday morning let's just stay
In bed and talk all day
Paradise in my apartment
Rain is falling down
Can't get this smile off my face
Think I need to tell you something

Look what you've done
I think I'm in love
In love again
Look what you've done
I think I'm in love
In love again

In my mind, in my head
There's an angel in my bed
We can fly, fly away
In my mind, in my head
There's an angel in my bed
We can fly, fly away

(Baby we can fly)
Look what you've done
I think I'm in love
In love again
Look what you've done
I think I'm in love
In love again
