

# Stay True

Jake Miller

Late night talks with my Pops on the patio  
He said I couldn't be more proud of you  
Lookin' up at shooting stars with cuban cigars laughin'  
Who would have thought that all of this would happen?

He said look what you built, look what you made  
The people you've touched, the lives that you changed  
The hurdles you jumped, the knowledge you gained  
The places you've been, the memories made  
But more importantly, you still haven't changed

Still the same fuckin' kid from the 954  
On the road with my bros playin' sold out tours  
This the shit I used to pray for  
Made enough money my kids college tuitions already paid for  
Ohh, out in Barcelona got the glasses clinkin'  
Cause my bucket list is shrinkin', ah yeah  
Globally known, they screaming my name  
It's cause I got my Pops words engraved in my brain  
He said

When no one sees your vision, and no one seems to listen  
Just stay true, stay true to yourself  
Stay true, stay true to yourself  
When you got bigger plans, but they cant understand  
Just stay true, stay true to yourself  
Stay true, stay true to yourself

Stay true, stay true to yourself  
Stay true, stay true to yourself  
Stay true, stay true to yourself  
Stay true, stay true to yourself

Nowadays it seems like everybody knows what's best for me but  
Too many cooks in the kitchen fucks up the recipe  
Uh, I'm never stressin', Imma stick to my methods  
LOL at all these stupid suggestions  
They tellin' me, maybe you should flip your image  
Maybe dye your hair blonde  
Maybe date a famous girl  
Maybe hire Scooter Braun  
Maybe I don't need his fuckin' help  
Maybe I'll work my ass off and let my music speak for itself, for real  
And I'm still rocking snapbacks and tank tops  
Still got an army behind me just like my meet and greet backdrops  
Still got the flow like I did at 18  
Still got the flow like I did at 18  
Halloween parties at Dwyane Wades, sometimes I think my life feels fake  
I can't complain cause  
My family is healthy, my girlfriend is gorgeous  
I got a million people round the world singin' this chorus like

When no one sees your vision, and no one seems to listen  
Just stay true, stay true to yourself  
Stay true, stay true to yourself  
When you got bigger plans, but they cant understand  
Just stay true, stay true to yourself

Stay true, stay true to yourself

Stay true, stay true to yourself  
Stay true, stay true to yourself  
Stay true, stay true to yourself  
Stay true, stay true to yourself

Stay true, stay true to yourself  
Stay true, stay true to yourself  
Stay true, stay true to yourself  
Stay true, stay true to yourself
