

Tangerine

Jake Miller

Met her down in the Bahamas
Tiny and curvy like commas
I took her hand, asked her to dance
I made her sweat like a sauna
Wearin' that orange bikini
Sippin' a vodka martini
Body all tanned, covered in sand
Juicy and sweet like a kiwi

Oh na na na, your man is back home waitin'
But oh na na, fuck it we're on vacation
Oh na na na, I know you feel what I'm feelin'
And we're only here for the weekend
So can you be my

Tangerine, citrus dream
Ahhhhh
I just wanna peel you back, come give me a bite of that
Tangerine, citrus dream
Ahhhhh
Flavors I would die to try, savor you cause you are my
Tangerine, citrus dream
Ahhhhh
I just wanna peel you back, come give me a bite of that
Tangerine, citrus dream
Ahhhhh
Flavors I would die to try, savor you cause you are my

I feel like I know you so well
Honest to god that I won't tell
Room 105, baby come slide
Lets leave our phones in the hotel
Before you go back to Atlanta
Let's get a private cabana
Drinks on me until we see
Double like Hannah Montana

Oh na na na, your man is back home waitin'
But oh na na, fuck it we're on vacation
Oh na na na, I know you feel what I'm feelin'
And we're only here for the weekend
So can you be my

Tangerine, citrus dream
Ahhhhh
I just wanna peel you back, come give me a bite of that
Tangerine, citrus dream

Tangerine, citrus dream
Ahhhhh
I just wanna peel you back, come give me a bite of that
Tangerine, citrus dream
Ahhhhh
Flavors I would die to try, savor you cause you are my
Tangerine

And I, I'm not leavin' here without a taste
Not without a taste
This might be the last time that I ever see you
So just for this one night
Can you be my

Tangerine, citrus dream
Ahhhhh
I just wanna peel you back, come give me a bite of that
Tangerine, citrus dream
Ahhhhh
Flavors I would die to try, savor you cause you are my
Tangerine, citrus dream
Ahhhhh
I just wanna peel you back, come give me a bite of that
Tangerine, citrus dream
Ahhhhh
Flavors I would die to try, savor you cause you are my
Tangerine
