

# Let It Go

James Bay

From walking home and talking lows  
Seeing chirps in evening clothes with you  
From nervous touch and getting drunk  
To staying up and waking up with you

Now we're slipping near the edge  
Holding something we don't need  
Oh, this delusion in our heads  
Is gonna bring us to our knees

So come on, let it go  
Just let it be  
Why don't you be you  
And I'll be me

Everything that's broke  
Leave it to the breeze  
Why don't you be you  
And I'll be me

And I'll be me

From throwing clothes across the floor  
To teeth and clothes and slamming door on you  
If this is all we're living for  
Why are we doing it, doing it, doing it anymore?

I used to recognize myself  
It's funny how reflections change  
When we're becoming something else  
I think it's time to walk away

So come on, let it go  
Just let it be  
Why don't you be you  
And I'll be me

Everything that's broke  
Leave it to the breeze  
Why don't you be you  
And I'll be me

And I'll be me

Tryna fit your hand inside mine  
When we know it just don't belong  
There's no force on earth  
Could make me feel so wrong

Tryna push this problem up the hill  
When it's too heavy to hold  
Think now is the time to let it slide

So come on, let it go  
Just let it be  
Why don't you be you  
And I'll be me

Everything that's broke  
Leave it to the breeze  
Let the ashes fall  
Forget about me

And I'll be me

So come on, let it go  
Just let it be  
Why don't you be you  
And I'll be me

And I'll be me
