

Carry You Home

James Blunt

D **Hmi** **G** **D**
Trouble is her only friend and he's back again
Makes her body older than it really is
And she says it's high time she went away
No ones got much to say in this town

D **Hmi** **D** **A**
Trouble is the only way is down, down, down

D
As strong as you were
Hmi
Tender you go
F#mi
I'm watching you breathing

G
For the last time
A song for your heart
But when it is quiet
I know what it means
And I'll carry you home

D
I'll carry you home

If she had wings she would fly away
And another day god will give her some
Trouble is the only way is down,down,down

As strong as you were
Tender you go
I'm watching you breathing for the last time
A song for your heart
But when it is quiet
I know what it means
I'll carry you home
I'll carry you home

Emi
And they're all born pretty
D **A**
in New York City tonight
and someones little girl
was taken from the world tonight
Emi **D** **A**
under the Stars and Stripes

As strong as you were
Tender you go
I'm watching you breathing for the last time
A song for your heart
But when it is quiet
I know what it means
And i'll carry you home

As strong as you were
Tender you go
I'm watching you breathing for the last time
A song for your heart

But when it is quiet
I know what it means
And I'll carry you home

I'll carry you home
