

# Fall At Your Feet

James Blunt

1. I'm really close tonight **Eb**  
**B** **Am** **Ab**  
And I feel like I'm moving inside her  
**Eb**  
Lying in the dark  
**B** **Am** **Ab**  
And I think that I'm beginning to know her  
**Eb**  
Let it go  
**B** **Cm**  
I'll be there when you call
- Ab** **Eb** **B** **Cm** **Ab**  
R: And whenever I fall at your feet  
**Eb** **B** **Cm** **Ab**  
You let your tears rain down on me  
**Eb** **B** **Cm** **Ab**  
Whenever I touch your slow turning pain
2. You're hiding from me now **Eb**  
**B** **Cm** **Ab**  
There's something in the way that you're talking  
**Eb**  
Words don't sound right  
**B** **Cm** **Eb**  
But I hear them all moving inside you, go  
**B** **Cm**  
I'll be waiting when you call
- R: And whenever I fall at your feet...
- \*: The finger of blame has turned upon itself **Eb** **B**  
**Cm** **Ab**  
And I'm more than willing to offer myself  
**Eb** **B**  
Do you want my presence or need my help  
**Cm** **Ab**  
Who knows where that might lead  
**Eb B Cm Ab**  
I fall (2x)  
**Eb**  
At your feet
