But I know it's so hard for you to do that

(really want you)

And time's running out as often it does

And often dictates if you can't do that

(really want you)

G

Fate can't break this feeling inside

That's burning up through my veins...

Lady luck for rain

3. They say a million people bow and scrape
To an effigy of gold
As so life begin
And the ship we're in

The message isn't getting through
And you're listening to the sound
Of my breaking heart (2x)
