I Really Want You

James Blunt

Ami 1. Many Prophets preach on bended knees С Many clerics wasted wine F Do the bloodied sheets On those cobbled streets G Mean I have wasted time 2. Are there silver shores on paradise? Can I come in from the cold? I killed a man in a far away land My enemy I'm told Ami R: I really want you to really want me But I really don't know if you can do that (really want you) С I know you want to know I tried But I know it's so hard for you to do that (really want you) F And time's running out as often it does And often dictates if you can't do that (really want you) G Fate can't break this feeling inside С That's burning up through my veins... Ami I really want you Emi I really want you Dmi I really want you G Now... F G *: No matter what I say or do C G/H Ami The message isn't getting through F And you're listening to the sound С G Of my breaking heart С I really want you С I really want you Is a poor man rich in solitude? Ami Or will mother earth complain

F Did the beggar pray for a sunny day but G Lady luck for rain

- 3. They say a million people bow and scrape To an effigy of gold As so life begin And the ship we're in And history unfold
- R: I really want you to really want me...
- *: No matter what I say or do
 The message isn't getting through
 And you're listening to the sound
 Of my breaking heart (2x)
