

Paradise

James Blunt

Holding back
Going black
Oh god, you're beautiful
In my throat
Kaleidoscope
Oh god, it's beautiful

I feel my heart beating
I feel my blood pumping
It is a love coming up
And it's me or nothing
Like a lifesafer
All the signs say that
There may be trouble in my head

Let love be the reason for breathing
Let love be the light in your eye
'cause you and me don't need a reason
To fall in love tonight

So Darlin', won't you close your eyes?
Hold on tight
We'll find paradise

Let love be the reason for breathing
You and I, you and I tonight

Freefall
Recall
Oh god, it's beautiful
Cold sweat
Regret
Oh no, it's beautiful

I feel my heart beating
I feel my blood pumping
It is a love coming up
And it's me or nothing
Like a lifesafer
All the signs say that
There may be trouble in my head

Let love be the reason for breathing
Let love be the light in your eye
'cause you and me don't need a reason
To fall in love tonight

So Darlin', won't you close your eyes?
Hold on tight
We'll find paradise

Let love be the reason for breathing
You and I, you and I tonight

Spent my life tryin' to find
Paradise, paradise
Spent my life tryin' to find

You

Let love be the reason for breathing
Let love be the light in your eye
'cause you and me don't need a reason
To fall in love tonight

So Darlin', won't you close your eyes?
Hold on tight
We'll find paradise

Let love be the reason for breathing
You and I, you and I tonight
