

# Shine On

James Blunt

**G Emi C D G**

**G Emi**

Are they calling for our last dance?

**C G D/F# Emi C G D/F# Emi C**

I see it in your eyes.... in your eyes

**G Emi**

Same old moves for a new romance

**C G D/F# Emi C D**

I could use the same old lies, but I'll sing...

**G**

R: Shine on, just shine on

**D/F#**

Close your eyes and they'll all be gone

**Emi**

They can scream and shout that they've been sold out,

**Ami**

but it paid for the cloud that we're dancing on

**G**

So shine on, just shine on

**D/F#**

With your smile just as bright as the sun

**Emi**

Cause they're all just slaves to the Gods they've made

**Ami**

**D4 D**

But you and I just shone, just shone

**G Emi**

And when silence greets my last goodbye

**C**

**G D/F# Emi C**

The words I need are in your eyes

**D**

And I'll sing .....

R: Shine on, just shine on...

**Ami D Ami D Ami D**

R: Shine on, just shine on...
