

Say You're Still Mine

James LaBrie

Looking away, don't wanna see you crying
Cause I can feel it, there's no escape
All of the lies are there
If I could go back
I would turn back the time
But all I can say, I'll do what it takes from now
Say you're mine, that we're not broken in two
Say you're still mine, say it's me and you
I never thought
That I'd be so close to sinking
It hurts to look in your eyes
It cuts like a knife
I know I've gone too far, afraid I broke your heart
But you're all that I want
You're all that I need to go on
Say you're mine, that we're not broken in two
Say you're still mine, say it's me and you
Cause without you, I'm dying, I'm dying
I won't give up trying, just say you're mine
Say it's me and you
Say you're mine, that we're not broken in two
Say you're still mine, say it's me and you
Say you're mine, that we're not broken in two
Say you're still mine, say it's me and you
