

# A Man and a Woman

James Last

When hearts are passing in the night, in the lonely  
night  
then they must hold each other tight, oh, so very tight  
and take a chance that in the light, in tomorrow's  
light  
they'll stay together so much in love.

And in the silence of the night, of the morning mist  
when lips are waiting to be kissed, longing to be  
kissed  
where is the reason to resist and deny a kiss  
that holds a promise of happiness?

Tho' yesterday still surrounds you  
with a warm and precious memory  
maybe for tomorrow  
we can build a new dream for you and me.

This glow we feel is something rare, something really  
rare  
so come and say you want to share, want to really share  
the beauty waiting for us there, calling for us there  
that only loving can give the heart.

When life is passing in the night, in the rushing night  
a man, a woman in the night, in the lonely night  
must take a chance that in the light, in tomorrow's  
light  
they'll be together so much in love,  
together so much in love.

So tell me you're not afraid to take a chance, really  
take a chance,  
let your heart begin to dance, let it sing and dance  
to the music of a glance, of a fleeting glance,  
to the music of romance, of a new romance.  
Take a chance, take a chance.
