

# No Matter What

James Last

No matter what they tell us  
No matter what they do  
No matter what they teach us  
What we believe is true

No matter what they call us  
However they attack  
No matter where they take us  
We'll find our own way back

I can't deny what I believe  
I can't be what I'm not  
I know I'll love forever  
I know, no matter what

If only tears were laughter  
If only night was day  
If only prayers were answered  
Then we would hear God say

And I will keep you safe and strong  
And shelter from the storm  
No matter where it's barren  
A dream is being born  
No matter who they follow  
No matter where they lead  
No matter how they judge us  
I'll be everyone you need  
No matter if the sun don't shine  
Or if the skies are blue  
No matter what the end is  
My life began with you

I can't deny what I believe  
I can't be what I'm not  
I know, I know  
I know this love's forever  
That's all that matters now  
No matter what
